

McLaren Health Plan is pleased to announce:

Lead Testing Incentive

for Medicaid members

This lead screening program is an easily achievable, simple incentive plan. It is designed to reward and recognize McLaren Health Plan's (MHP) Primary Care Provider's who meet the MDHHS requirement of lead testing children **before their second birthday**.

As an incentive for your cooperation in this lead screening endeavor, MHP will reimburse you as described below when you provide a lead test to a MHP Medicaid member.

Procedure Code	McLaren Health Plan Medicaid Reimbursement
36416 Collection of a capillary blood specimen for lead test	\$15.00
83655 If you have the capability to perform the lead test in your office	\$25.00

We look forward to your partnership and collaboration with **Lead Testing** and other future endeavors to increase quality outcomes.

McLaren Health Plan thanks you for the quality care you deliver!
