CMS Required Model of Care Annual Training

As a requirement of a health plan offering a D-SNP plan, McLaren, in accordance with CMS guidelines and regulations, requires annual Model of Care training for Providers. The Model of Care describes the processes and work flows necessary to successfully manage and operate to meet the needs of the D-SNP population. The Model of Care outlines the plan's care management and coordination processes and is designed to be an important quality measurement and performance improvement tool.

All Providers that are required by CMS to complete the annual Model of Care training must comply and submit attestation by 12/22/2023.

ACTION NEEDED by 12/22/2023 to attest for calendar year 2024:

Provider(s) need to access the Model of Care Training via the Provider Portal or the following link: <https://www.mclarenhealthplan.org/Uploads/Public/Documents/HealthPlan/documents/Medicare/mhp-d-snp-model-of-care.pdf> .

Once training is complete return the signed attestation* (attached) to McLaren Health Plan Provider Relations department, via fax or email:

- Fax to: 810-600-7979
- Email: MHPProviderServices@mclaren.org

*Multiple providers can be on the same attestation form

Or, follow this link or QR code to attest:

<https://www.surveymonkey.com/r/MHPMOC24>

If a Provider does not complete the Model of Care training and return the signed attestation form, the following action will occur: *The Providers assignment of new Medicare members will be in a suspended status until the Model of Care training is completed and the attestation form is returned.*
